

IMPORTANT NOTICE

Efficiency Upgrades Scheduled

FLOOR NUMBER: _____

DATE(S): _____

TIME: _____

The types of upgrades that will take place in your unit were previously provided to you, but if you have any questions, please contact your Building Manager.

To help our contractors efficiently install measures on this floor and in your unit

PLEASE PREPARE YOUR UNIT FOR INSTALLATION ACTIVITIES

CLEAR THE WORK AREA:

Ensure the area where work will be done is clear and accessible so our team can complete the upgrades efficiently. Please move any belongings that are in the work area aside and clear the space, so that the contractors can complete their work as quickly as possible.

IF YOU HAVE PETS:

Make sure your pet is placed in a safe and secure part of your unit that is away from where contractors will be doing work.

STEP OUT DURING WORK:

If possible, consider stepping out and temporarily leaving your unit while the work is completed. You will be contacted by your Building Manager when you can return to your unit.

WE'LL WORK QUICKLY:

We aim to complete the work quickly and safely, with as little disruption to your daily routine as possible.
